ESI ships orders by way of standard ground carrier service dock-to-dock to Canada. Special requests such as "call before delivery", "delivery lift gate required", residential delivery, re-routed deliveries, or specific delivery date/time requests may be subject to additional charges or may not be available.

Customers will be charged additional fees for changes made to orders that have already departed the facility, resulting in re-delivery or re-consignment.

ESI accepts requests for expedited freight at the customer's expense. Please contact our Customer Service Department at 800.833.3746 and provide your preferred carrier account number in which to charge the expedited freight.

Worksurfaces may be drop shipped from a separate location and may arrive on a date different than the other items on the order.

Canada - Orders of \$4,375 list (CAD) or more, ship free freight. Orders under \$4,375 list incur a flat \$50 net (CAD) fee. Residential freight deliveries will incur a flat \$140 net (CAD) fee.
